

**MAKE UP YOUR MIND**  
 Editor Constitution: I often find when decent treatment for the Negro is urged, a certain class of people hurry to raise the scarecrow of social mingling and intermarriage. These questions have nothing to do with the case. And most people who kick up this kind of dust know that it is simple dust to obscure the real question of rights and opportunities. It is fair to remember that almost the total of race mixture in America has come, not at Negro initiative, but by the acts of those very white men who talk loudest of race purity. We aren't eager to marry white girls, and we would like to have our own girls left alone by the white boys.
